

The Golf Club at Creekmoor Practice Facility

All property owners are welcome to use the practice facility located on the western side of the Clubhouse. The practice facility includes a putting green, chipping green and practice tee. The Professional Staff offers instruction by appointment on the facility. Player development, junior golf, clinics, fittings and golf club manufacturer fitting and demo days also take place on the practice tee.

The facility is open year round, weather permitting, and maintains the same hours of operation as the golf course.
