

The Golf Club at Creekmoor **SNAG** Beginner's Academy

New for 2017 is **SNAG**! **SNAG** stands for “Starting New At Golf” and it is one of the most innovative and fun ways to learn the game through ‘golf-like’ equipment suited for kids. This program is designed for our youngest kids coming into the game of golf to give them a basic understanding of the game while enjoying fun instruction and games. We will do many different activities including **SNAG** 500, designing a 9-hole course and enjoying the game through this interactive avenue that is **SNAG**. There will be two – three day sessions in the month of July.

Please see the next page for the schedule and fee structure.
