

The Golf Club at Creekmoor PGA Junior League Golf

The Golf Club at Creekmoor welcomes back our highly successful PGA Junior League Golf! The purpose of this program is to develop our junior golfers playing ability to whatever extent they desire.

PGA Junior League Golf is for boys and girls up to 16 years of age before July 31st, 2018. This is a team format that is fun, exciting and engaging. Participants will get to play with friends, and receive instruction and coaching from PGA Professionals.

Our team will have weekly practices where we work on all fundamentals of the game. This program is open to juniors of all skill levels. The format is structured around a team atmosphere with games consisting of three – two person scramble teams.

Each junior is required to enroll in PGA Junior League Golf, but they do not need to participate in games if they are not comfortable doing so.
