

## On behalf of the Creekmoor Men's Golf Association Welcome to the 2019 Golf Season!

The Creekmoor Men's Golf Association (CMGA) was established to stimulate an interest in golf, promote and foster a friendship and bond among members, encourage proper golf etiquette and sportsmanship, educate members, and apply the USGA Rules of Golf. Skill and handicap levels are wide-ranging. The CMGA would like to invite any members or residents who are not currently members, to consider joining. We begin accepting applications for membership in February. Our official season runs from April through October. Weekly league play is on Wednesday evenings, and numerous tournaments and events are scheduled throughout the spring, summer and fall months. With well over 150 current members, we always look forward to new faces! Please contact the Professional Staff for a membership application or more information.
