

On behalf of the Creekmoor Men's Golf Association

Welcome to the 2021 Golf Season!

The Creekmoor Men's Golf Association (CMGA) was established to stimulate an interest in golf, promote and foster a friendship and bond among members, encourage proper golf etiquette and sportsmanship, educate members, and apply the USGA Rules of Golf. Skill and handicap levels are wide-ranging. The CMGA would like to invite any members or residents who are not currently members, to consider joining. We begin accepting applications for membership in February. Our official season runs from April through October. Weekly league play is on Wednesday evenings, and numerous tournaments and events are scheduled throughout the spring, summer and fall months. With well over 150 current members, we always look forward to new faces! Please contact the Professional Staff for a membership application or more information.

Dues must be paid prior to competing in any CMGA league nights or events.

All events will be played from the White Tee unless you have chosen to play the Gold Tee. On your registration sheet, once your tee selection is picked, you may not change it. Those players will be allowed to play the Gold Tee except in the Box Trot, Member|Guest Tournament and the League Horse Race.

In case of weather situations, rain dates have been set aside in September. As a reminder, league begins at 5:45 pm. The Golf Shop sends golfers to their starting holes no later than 5:40 p.m.

Handicap League Rules

To start off the 2021 golf season, if you do not have an active and established USGA Handicap, you will not be eligible to play in the match play during league night; however, this will not exclude you from playing during those evenings until a Handicap has been established.

For those new golfers with no handicap, you will only pay one dollar (\$1) on league night that will go directly to the Hole-In-One fund.

This has been established to protect the field so that there is equitable competition at all times with established USGA GHIN Handicaps.

Match Forfeiture - Play Protocol

In the rare occurrence that a player has to leave the golf course during the stipulated round for any reason (sickness, family emergency, etc.), the following protocols must be followed and agreed upon by the two players engaged in the match:

- Option One:** **A Gentleman's Tie - The two engaged in the match declare that they will agree to a tie, resulting in a split of the points, five to each player.**
- Option Two:** **The status of the match when forfeiture occurs, then carries into a match against Par. For example, if player A is two up after two holes and has an emergency and player B wants to carry his match into a match against Par, player B will start the third hole two down against Par. Player A will receive the two points that he earned, or whatever that value is at the point of forfeiture.**

The 2021 Beast - Handicapping

With changes to the USGA GHIN System for calculating handicaps, all guests must have an official USGA GHIN Handicap. No forms of handicapping through online applications that are not affiliated with their local golf association.

Online applications such as “The Grint” will not be acceptable forms of handicapping for The Beast nor any other type of event.

Please remind your guest about this early in the season, and if they need assistance with establishing a handicap, have them contact the Golf Shop.

Wednesday, August 4th

On the evening of Wednesday, August 4th, there will be no Men’s League Play; however, there will be an optional 9-Hole game for you and your guest. More details to come in the future.
